IUMS 2024 will bring together medical and non-medical microbiologists from different disciplines around the theme:

Attend keynote lectures, bridging sessions, and workshops organized by the three IUMS divisions:

Bacteriology and Applied Microbiology, Virology, and Mycology and Eukaryotic Microbiology.

"I'm now convinced that the meeting in Florence will be an historical milestone in the field of microbiology, where we are going to learn the importance of microbiology in every single aspect of life".

Dr. Rino Rappuoli
